

HOTEL INFORMATION

Ljubljana offers a range of hotels, hostels and Airbnb accommodations. However, there are many tourists visiting Ljubljana in the summer, resulting in a high demand for rooms in the city centre. **We strongly recommend that you book a room as soon as possible.** This way you will be able to stay close to the conference venue and the bustling city centre for an affordable price.

We have made arrangements with **3 nearby hotels**, reserving a small number of rooms for COLIS participants at a fixed price. You need to contact the hotel to make your reservations. In order to confirm the reservation, the hotels might ask you to provide your credit card number, which you can also do by phone.
